Based on information you have provided, your publishing options are shown below

Subscription

As a corresponding author affiliated to a Portuguese institution, I will publish my article under the subscription model, making my final published article immediately available to all subscribers.

Further details on [Elsevier's agreement page](#) ..

[Elsevier's sharing policy](#) explains how I can share my accepted manuscript.

Select Subscription

Gold Open Access

As a corresponding author affiliated to a Portuguese institution, upon validation Elsevier will send the invoice to my institution in my name, reducing the Article Publishing Charge by 20%. I will publish my article open access, making my final published article immediately available to everyone. I can share my article in accordance with the user license that I select. Further details on [Elsevier's agreement page](#) ..

Select Gold Open Access

- Based on the affiliation details, the author sees the Publishing Options. In the Gold Open Access text, we clearly mention the discount % and that we will send the invoice to institution on author's name
- If the librarian at the institution rejects the author request in the Elsevier Portal, we also make it clear that the authors will receive a full price invoice
